

How to communicate with the CEC revision working group.

According to the mandate given by the Lyon General Assembly to the Revision Working Group (RWG) as provided by the motion adopted, interested parties, whether they be Member Churches, confessional organisations, voluntary associations, ecumenical bodies and their staff or even just individuals, have the opportunity to contribute their thoughts in writing to the RWG on matters falling within the scope of its inquiry.

This can for example be considerations regarding CEC's *"common purpose and vision and the setting of strategic goals and which structures would serve these goals in an optimal way and in accordance with the wishes and needs of the Member Churches."* (RWG mandate)

Any such information should be presented as concisely as possible. The text should contain the following information: an executive summary of the main points; a brief introduction to the submitter, perhaps explaining their area of expertise; any factual information the submitter has to offer from which the RWG might be able to draw conclusions.

The RWG prefers to receive material in electronic form. Attach your memorandum to an email and send it to the RWG's mailbox at cecrevision@gmail.com. The information that you provide will be used to assist the RWG fulfil the terms of its mandate.
